# INTERLAM

## ABSINTHE

The smaller of the three ribbed patterns (of Absinthe, Brandy or Eden), this pattern demonstrates subtle ribbed texture with minute side to side movement that can be oriented either vertically or horizontally on the sheet.

391 Hickory Street, Mount Airy, NC 27030 - 336.786.6254  
[WWW.INTERLAM-DESIGN.COM](http://WWW.INTERLAM-DESIGN.COM) See website for more information.

# INTERLAM

# BRANDY

The medium pattern size of the three ribbed patterns (of Absinthe, Brandy or Eden), this pattern demonstrates a larger ribbed texture with more side to side movement that can be orientated either vertically or horizontally on the sheet.

# INTERLAM

## COGNAC

This pattern produces a classic woven or linen appearance which evokes a timeless beauty contributing to any well designed surrounding. The pattern is not orientated to either direction.

391 Hickory Street, Mount Airy, NC 27030 - 336.786.6254  
[WWW.INTERLAM-DESIGN.COM](http://WWW.INTERLAM-DESIGN.COM) See website for more information.

# INTERLAM

The largest pattern size of the three ribbed patterns (of Absinthe, Brandy or Eden), this pattern demonstrates the largest and deepest ribbed texture with more frequent side to side movement that can be orientated either vertically or horizontally on the sheet.

# INTERLAM

## HEATHER

A wonderfully deliberate combination of clean sweeping lines and flat surfaces. Heather creates a subtle texture that compliments the natural grain of the veneers. It adds grace and beauty without overpowering the design intent.

391 Hickory Street, Mount Airy, NC 27030 - 336.786.6254  
[WWW.INTERLAM-DESIGN.COM](http://WWW.INTERLAM-DESIGN.COM) See website for more information.

# INTERLAM

## PINOT

This pattern makes use of very modern, sleek lines of varying thickness and length. Straight lines are ever-present in western architecture and engineering, drawing from nature and mathematics. Architectural aesthetics can easily be dictated by this practical pattern that can be orientated either vertically or horizontally on the sheet.

# INTERLAM

## QUANTUM

This pattern creates a quirky and whimsical pattern reminiscent of matchsticks. This playful pattern is at home in any style of design and can bridge the gap between flair and grace. This pattern can be orientated either vertically or horizontally on the sheet.

391 Hickory Street, Mount Airy, NC 27030 - 336.786.6254  
[WWW.INTERLAM-DESIGN.COM](http://WWW.INTERLAM-DESIGN.COM) See website for more information.

# INTERLAM

## RIESLING

Delicate hammertones populate this refined surface to create an arrangement of shadows and reflections. This pattern is the perfect addition to any project when less is more. This pattern can be orientated either vertically or horizontally on the sheet.

# INTERLAM

## ROUGH HEWN

Nostalgic memories of days gone by, this rustic creation of roughhewn logs and barn wood will enhance your boldest endeavor whether it is urban or rural renewal. This pattern is orientated vertically only.

391 Hickory Street, Mount Airy, NC 27030 - 336.786.6254

It is the responsibility of the buyer and / or specifier to request a physical sample of a pattern or finish prior to placing an order.

## Give New Life to Surfaces

and create, astonishment, visual and tactile curiosity. Motion I's sensational surfaces provide a wide variety of panels and components for the Furniture, Kitchen and Bath, Hospitality and Retail Industries.

Motion I is a product produced by applying natural wood or reconstituted Alpi veneers (CATAS certified), as well as melamine and paintable melamine surfaces, mostly to MDF substrates. Motion I products are tailored specifically to meet the customer's requirements and specifications. The substrates used are certified CARB Phase II compliant.

We prefer to use Alpi reconstituted veneers, because they are low formaldehyde and produced only from sustainable, well managed Timber resources with a declaration of FSC Controlled Wood. Also our customers can choose veneer from the ALPI catalog with matching edgebanding.
